RE: USA v. Guy Urciuoli
07-637 (PGS)

I have received the attached letter from Mr. Urciuoli. Please explain what he is requesting.

So Ordered

Having reviewed the subpoena, and the letter from Mr. Feingold, the Court finds without more information a subpoena should not issue.

If Mr. Urciuoli's request constitutes a motion for relief based upon newly discovered evidence, the appropriate motion should be made.
